

# PRIMARY ACTIVITY: Sound the Alarm!

**Directions:** Have the students circle the objects that use sound as a warning signal. Discuss each object and other ways sound is used as a warning signal. *(From Primary Flip Book Activities. See answers below.)*

Possible answers: fire truck's siren warns people to move out of the way; cell phone could warn someone of danger; bird could warn other birds; dog's barking could warn of intruder; smoke alarm signal warns of possible fire.
